Farooque Alam

Full Stack Developer | Kathmandu, Nepal

New Baneshwor-31, Kathmandu, Nepal | farooqueallam1@gmail.com | +977-9818998937

Professional Summary

Full Stack Developer with 3 years of experience building dynamic, scalable, and user-friendly web applications using React, Angular, PHP, and TYPO3. Experienced in client-facing projects, CMS customization, and end-to-end feature development. Comfortable working with modern AI tools to accelerate development and research.

Experience

Full Stack Developer | Nirekha Dot Com, Kausaltar, Kathmandu *January 2023 - Present*

- Develop and maintain dynamic web applications using React, Angular, PHP, and TYPO3.
- Handle a German client project for SCHITTLY, focusing on TYPO3 customization, template integration, and extension development.

Frontend Development Intern | Imagio Creations, Sanepa, Kathmandu *March 2022 - June 2022*

- Assisted in developing responsive web pages using HTML, SCSS, and PHP.

Projects

SchoolBaba: School Management System (in development)

- Building a multi-tenant school management platform with a Node.js/Express REST API, a Next.js frontend, and PostgreSQL as the database.
- Implemented JWT-based authentication with bcrypt password hashing, role-based access control, and school-scoped data queries.
- Planned modules include school dashboard, student and parent portal, teacher assignment, bulk CSV import, and printable documents.

RestroBaba (Restaurant Management)

- Developed a web-based restaurant management application.

SportsBaba (Sports Platform)

- Developed a web-based sports application.

Appointment Scheduling System

- Built a dynamic appointment booking system with Angular for the frontend and TYPO3 (PHP) for backend appointment management.

MartBus: Mart Billing System

- Developed a billing and inventory management system with React for the frontend and TYPO3 (PHP) for the backend, managing products, suppliers, and sales.

Education

Bachelor of Computer Application (BCA) | Patan Nistha Campus, Lalitpur Tribhuvan University | Completed
